Eligibility criteria

**for the participation of master's and doctoral students in the Emilian Bratu awards
granted by the Romanian Chemical Engineering Society within the International
Symposium on Chemical and Materials Engineering (SICHEM)**

In honour of Acad. Prof. Dr. Eng. Emilian Bratu, founder of the Romanian Chemical Engineering School in Politehnica Bucharest, the Romanian Chemical Engineering Society established the Emilian Bratu awards for master's and doctoral students starting with the SICHEM 2022 event. The awards are biannual and granted by a jury chosen from the members of the scientific committee of the SICHEM event. To participate in the Emilian Bratu awards, the following are required:

1. Paper registration, as **first or corresponding author**, in one of the sections of the SICHEM event and its acceptance, respectively;
2. Confirmation of master's or doctoral student status by the scientific supervisor;
3. Drafting of the paper, before the SICHEM event, for publication in the Bulletin of the Chemical Engineering Society (BRChES) in accordance with the requirements specified on the SICR website on the journal page (<https://sicr.ro/revista/>);
4. Paper publication in the BRChES journal issues, edited for the SICHEM event in which it is participated
5. Supporting the paper at the SICHEM event in the form of oral communication.

SICR President
Prof. Dr. Eng. Tanase Dobre
